Society of Arts + Crafts Presents 10th Annual CraftBoston Holiday

175 craft artists selling handmade wearable art and homewares come arrive in Boston

BOSTON (Nov. 14, 2017) -- CraftBoston Holiday, presented by the Society of Arts and Crafts, will be at the Hynes Convention Center December 14-17, ahead of the shopping season. This juried exhibition and show brings together the nation's leading craft artists working in mediums like ceramics, fiber, glass, metal and wood. CraftBoston, a biannual exhibition, provides opportunities for artists to connect with customers and collectors.

CraftBoston Holiday celebrates its opening with Holidays and Highballs, a preview party to benefit the mission of the Society of Arts and Crafts. Tickets cost \$150 and attendees receive a handcrafted ceramic or glass tumbler, a complimentary cocktail and hors d'oeuvres. We invite lovers of art and design to sip, shop and support the nation's oldest craft nonprofit.
